PRODUCT BULLETIN

BRUSHLESS 6

Super Truck Wash Concentrate

General Description

BRUSHLESS 6 is an extremely effective moderate foaming liquid cleaner/degreaser designed for a broad range of applications with special emphasis on truck and vehicle cleaning and maintenance. With a pH below 10.0 when diluted with water, **BRUSHLESS 6** will not harm the painted or aluminum surfaces, and is safe to use on any surface not harmed by water. It is biodegradable, nontoxic, non-flammable, and leaves no residue after rinsing. **BRUSHLESS 6** is perfect for coin operated car and truck washes.

Application

BRUSHLESS 6 is a concentrated cleaner that should be diluted with water for best cleaning results. The dilution rate depends on the environmental conditions at the car wash. Suggested dilutions range from 20 to 60:1.

Physical Properties

Color	Blue
Odor	Odorless (or scented various flavors)
Solubility	Water
Specific Gravity	1.01
Density	8.4 lbs./gallon
Flash Point	None
pH	< 10.0 at dilution

Availability

BRUSHLESS 6 is available in UN approved 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers and MSDS. Normal precautions for industrial chemicals apply.
