PRODUCT BULLETIN

TEAPOL

Biodegradable Rig Wash/Degreaser

General Description

TEAPOL is a water-based blend of nonionic surfactants, chelators and penetrants formulated for general cleaning of all types of surfaces that are not affected by water. **TEAPOL** is an excellent oil emulsifying cleaner with strengths varying with the degree of dilution with water. **TEAPOL** is suitable for cleaning and decontaminating barges, ships, tanks, vats and for all engine room maintenance.

Application

TEAPOL can be applied by almost any means including mops, sponges or sprays. Always allow solutions to penetrate deposits before rinsing off.

Dilutions

TEAPOL is a concentrated cleaner and should be diluted for the best results:

Heavy	1 part TEAPOL	2 parts water
Medium	1 part TEAPOL	5 parts water
Light	4 oz. TEAPOL	1 gallon water

Availability

TEAPOL is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply.
