PRODUCT BULLETIN

MULSPEC 7000S*

Biodegradable Degreaser

General Description

MULSPEC 7000S is a concentrated, Soy based, high efficiency, low toxicity bio-surfactant for use in breaking down and dispersing hydrocarbons, vegetable oils, grease, waxy and particulate soils from metal, glass, concrete, and plastic surfaces. **MULSPEC 7000S** contains surfactants which aid in bringing these soils, which are not water soluble, into solution. **MULSPEC 7000S** is safe to use on all surfaces not harmed by contact with water, including aluminum and painted surfaces. **MULSPEC 7000S** is readily biodegradable (> 85% biodegradable according to OECD Screening Test for Readily Biodegradability), and, in dilute form, presents minimal environmental impact. Product is compliant with Green Seal and EPA Design for the Environment (DfE) standards, German UBA No 3406-0014 (Environmentally acceptable chemical), HOCNS Europe Gold Standard, and is separator friendly (Meets pr EN 858).

Application/Dilution

MULSPEC 7000S is very mild and may be used on any surface not harmed by water. **MULSPEC 7000S** may be applied by mop, brush, sponge, or spray. Allow for penetration prior to wash down. Depending upon the condition of the surface to be cleaned and age of the deposits, **MULSPEC 7000S** may be diluted with water:

Physical Properties

Color	Clear Light Yellow Liquid
Specific Gravity	0.92 – 0.95
pH	7.5 – 8.5
Freeze Point	< 32 F°

Availability

MULSPEC 7000S is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply. This document does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this product to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use.

** **MULSPEC 7000S** is formulated with ingredients listed on the FDA GRAS (generally recognized as safe) list. JMN Specialties, Inc. certifies that this product is formulated and meets the certification requirements of federal regulations (9 CFR, Section 416.4). JMN Specialties, Inc. has documentation on file and this documentation is available to Food Safety and Inspection Service (FSIS) inspection program employees for review.*
