PRODUCT BULLETIN

881 Solvent / Thinner

Paint Clean-up Solvent

General Description

881 Solvent / Thinner is an economical blend of aromatic solvents specially formulated for paint/equipment clean-up. **881 Solvent / Thinner** has shown to be extremely effective in spot removal of dried paints of all types.

Physical Properties

Color	Water-White
Odor	Characteristic Solvent
Density	6.89 lbs./gallon
Specific Gravity	0.8270
Flash Point	20° F

Application

881 Solvent / Thinner should be used with caution as it is extremely flammable. The work area should be well ventilated as hoses, spray guns and related equipment are cleaned.

Availability

881 Solvent / Thinner is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply. This document does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this product to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use.
