PRODUCT BULLETIN

FLOOR CLEAN AND DEODORIZER

Cleaner and Odor Control Detergent

General Description

FLOOR CLEAN AND DEODORIZER is a non-toxic, water-based blend of natural deodorants that effectively captures and eliminates malodors from pets, trash cans, bathrooms, storage areas, and any place where odor is a problem. **FLOOR CLEAN AND DEODORIZER** has a unique ability to capture and destroy malodor rather than masking it. This method means that the odor is permanently removed, not masked to return later. **FLOOR CLEAN AND DEODORIZER** is effective on all types of organic odors and is especially effective for seafood odors.

Application

For best results, find the *source* of the malodor, identify it and remove it if possible, and then treat the area where the odor remains. Use as an **AIR FRESHENER** as provided. Spray as needed anywhere an aerosol is used. For **CLEANING**, add 4 to 6 ounces per gallon of cleaning water, or as need to effectively clean and deodorize surfaces.

FLOOR CLEAN AND DEODORIZER has been successful in treatment of municipal waste, portable toilets, holding tanks, kennels, garbage bins, landfills, public rest rooms, and meat and fish process areas.

Physical Properties

Color	Clear Light Amber
Odor	Sweet
Solubility	Complete in Water
Specific Gravity	1.00
pH	3.8

Availability

FLOOR CLEAN AND DEODORIZER is available in UN approved 5-gallon pails, 55-gallon drums and bulk quantities.

Handling

Observe warning labels on containers. Normal precautions for industrial chemicals apply. This document does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this product to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use.
