PRODUCT BULLETIN

LAUNDRY ACU

Army Combat Uniform Washing Detergent

General Description

LAUNDRY ACU liquid laundry detergent is formulated to power out dirt and odors from Army Combat Uniforms. **LAUNDRY ACU** contains combinations of naturally derived cleaning ingredients that will leave uniforms fresh and clean and does NOT contain any Optical Brighteners or Fluorescence whitening agents that would compromise the uniform in nighttime operations. **LAUNDRY ACU** is formulated for both standard and high-efficiency (HE) washers. **LAUNDRY ACU** rinses completely and it leaves no residue behind to reduce fabric performance. **LAUNDRY ACU** is readily biodegradable, contains no dye, scents and is made from renewable Plant based ingredients that are all Kosher certified.

Application/Dilution

Before washing, remove all patches from the coat and all items from the pockets. Close all hook-and-loop fasteners to prevent snagging. Turn the jacket and pants inside out before you wash them to prevent damage to the Velcro and reduce color fading. Machine wash in cold water with **LAUNDRY ACU** using permanent press cycle, or hand wash using **LAUNDRY ACU**. Use ¼ to ½ cup per load depending on soil conditions and load size.

Physical Properties

Color	Clear
Specific Gravity	1.01 - 1.05
pH	8 - 9
Freeze Point	32F

Availability

LAUNDRY ACU is available in UN approved 5-gallon pails, 55-gallon drums and bulk quantities.

Handling

Observe warning labels on containers. Normal precautions for industrial chemicals apply. This document does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this product to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use.
