PRODUCT BULLETIN

BIO SEPTIC 7

Anti-Microbial Hand Soap

General Description

BIO SEPTIC 7 is a high quality, 1.75% Chloroxylenol, anti-microbial hand soap with moisturizers that has a 50 ppm chlorine equivalency against *Salmonella choleraesuis* as well as *Staphylococcus aureus*. **BIO SEPTIC 7** has been clinically proven to effectively eliminate as many as 66 microbially active germs, including Staph, Strep, *Salmonella*, *Candida*, *Asperigilus* and Herpes II. **BIO SEPTIC 7** is mild enough for repeated daily use, protecting skin with moisturizers to prevent dryness and chapping often associated with repeated washing. Routine use, as per OSHA guidelines, will shield from infections attributed to pathogenic bacteria, as well as reducing the risk of bacterial transfer infections. Hands may be washed repeatedly without drying out or chapping of skin.

Application

Wet hands, apply **BIO SEPTIC 7**, and wash hands for at least 15 seconds. Rinse thoroughly with clean water.

Physical Properties

Color	Opaque White Liquid
Odor	Baby Power
Density	1.00
pH	Neutral
