PRODUCT BULLETIN

FLIGHT DECK

Water Soluble Air Craft Cleaner

Meets MIL-C 855706 Specifications and MIL PRF 85570 performance specifications Type II

General Description

FLIGHT DECK is an extremely effective liquid cleaner/degreaser designed for a broad range of applications with special emphasis on aircraft cleaning and harbor maintenance. With a pH of 8.5, **FLIGHT DECK** will not harm painted or aluminum surfaces and is safe to use on any surface not harmed by water. **FLIGHT DECK** is biodegradable, nontoxic, nonflammable and leaves no residue after rinsing. **FLIGHT DECK** meets the requirements specified by MIL SPEC 855706 Type II and the performance specifications of MIL PRF 85570 type II.

Application

FLIGHT DECK is a concentrated cleaner that should be diluted with water for best cleaning results. In addition to the dilutions recommended by Mil Prf 85570, we recommend the following dilution rate dependent on the condition of the soiled surface. A suggested rate follows:

Heavy Cleaning	1 part cleaner to 10 parts water
Light Cleaning	1 part cleaner to 20 parts water
Steam Cleaning	1 part cleaner to 50 parts water

Physical Properties

Color	Pink
Odor	Pine/Citrus
Specific Gravity	1.01
Density	8.4 lbs./gal
pH	8.5
Flash Point	None
Solubility	Water Soluble

Availability

FLIGHT DECK is available in UN approved 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers and MSDS. Normal precautions for industrial chemicals apply.
