PRODUCT BULLETIN

FUN FOAM 50M

Concentrated Foam

General Description

FUN FOAM 50M is an concentrated, completely safe, high-foaming, biodegradable formulation designed to be used in foam generation machines to produce a low water content, long lasting foam. **FUN FOAM 50M** is safe to use in any area not harmed by contact with water. **FUN FOAM 50M** is used in Major Nightclubs and Dancing Venues, Collegiate Events, Children's Parties, Fairs, Festivals and Large Picnic Events.

Physical Properties

Form	Thick, Amber Liquid
Odor	Mild Pina Colada
Solubility	Water
Specific Gravity	1.040
Density	8.64 lbs./gallon
Flash Point	None
pH	8.5 - 9.0

Dilutions

Dilutions are dependent on the type of foam generation equipment used, but the following has been found to be effective in most systems. Follow your equipment manufactures guidelines for use of concentrated foam.

For automated systems: 1 gallon **FUN FOAM 50M** to 50 gallons water.
For small systems: 2 ounces **FUN FOAM 50M** to 1 gallon water.

Availability

FUN FOAM 50M is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers and MSDS. Normal precautions for industrial chemicals apply.
