PRODUCT BULLETIN

MASTIC RELEASE

Organic Solvent Emulsion Mastic Remover

General Description

MASTIC RELEASE is a special blend of organic solvents, (aliphatic and citrus), penetrants and emulsifiers formulated as a strong industrial mastic and glue remover. **MASTIC RELEASE** is nontoxic, biodegradable, and contains no EPA rated hazardous substances.

Application

MASTIC RELEASE is to be applied as provided for economical and effective removal of various types of tile mastics and/or glues. **MASTIC RELEASE** can be sprayed, brushed, mopped or poured on the mastic to be removed. Allow product to penetrate prior to removing.

Physical Properties

Color	Amber
Density	7.88 lbs./gallon
