PRODUCT BULLETIN

MASTIC RELEASE T-50

Organic Solvent Emulsion Mastic Remover

General Description

MASTIC RELEASE T-50 is a special blend of thickened organic citrus solvents, penetrants and emulsifiers formulated as a strong industrial mastic and glue remover. **MASTIC RELEASE T-50** is nontoxic, biodegradable, and contains no EPA rated hazardous substances.

Application

MASTIC RELEASE T-50 is to be applied as provided for economical and effective removal of various types of tile mastics and/or glues. **MASTIC RELEASE T-50** can be troweled or poured on the mastic to be removed. Allow product to penetrate prior to removing. Surface must be thoroughly cleaned prior to installation of new mastic/glue and tile. Improper cleaning will inhibit the new mastic from curing. Clean with water and detergent and allow to air dry. Testing a spot for proper curing of new mastic is recommended.

Physical Properties

Color	Amber
Density	7.88 lbs./gallon
Flash Point	120 - 140° F
Solubility	Oil Soluble / Water Dispersible

Availability

MASTIC RELEASE T-50 is available in UN approved 5 gallon pails and 55 gallon drums.
