PRODUCT BULLETIN

SPARKLE 28

Self-Shining Floor Finish

General Description

SPARKLE 28 is a high solids, self-shining, metal interlock acrylic floor finish. Dries quickly leaving a hard, crystal clear, high gloss finish that resists scuffing and heel marks. Can be applied over existing finishes, is non-yellowing and is highly slip resistant. Applies without streaking and is designed for easy patching of heavy traffic areas.

Application/Dilution

Recommended for use on vinyl, asphalt tile, rubber tile, marble, terrazzo, quarry, slate, and ceramic tile, and concrete floors. One quart shines approximately 450 to 500 square feet of floor area.

Physical Properties

Color	Milky White
Odor	Mild
Specific Gravity	1.085
Flash Point	None (Open cup)
pH	8.5 - 9.5

Availability

SPARKLE 28 is available in UN approved 1 gallon pails, 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply.
