PRODUCT BULLETIN

Super Degreaser 20M

Water Soluble Offshore Cleaner/Degreaser

General Description

SDG 20M is an extremely effective proprietary liquid cleaner/degreaser designed for a broad range of applications with special emphasis on offshore rig/platform cleaning and harbor maintenance. **SDG 20M** will not harm painted surfaces, and it is safe to use on any surface not harmed by water. **SDG 20M** is biodegradable, non-toxic, non-caustic, nonflammable, and leaves no residue after rinsing. **SDG 20M** is recommended for use for extreme cleaning conditions, (oil based muds, dried grease, tars, etc.). Because of its higher pH **SDG 20M** is an eye and skin irritant and proper eye and skin protection should be worn when using this product.

Application

SDG 20M is a concentrated cleaner that should be diluted with water for best cleaning results. The actual dilution rate depends on the amount and type of soils found on the surface to be cleaned. A suggested dilution rate is as follows:

Steam Cleaning	1 part cleaner to 50 parts water
Heavy Cleaning	1 part cleaner to 10 parts water
Light Cleaning	1 part cleaner to 20 parts water

Physical Properties

Color	Green
Specific Gravity	1.02 - 1.04
Flash Point	None
pH	12.3 - 12.6
Odor	Mild
Solubility	Water Soluble

Availability

SDG 20M is available in UN approved 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply.
