PRODUCT BULLETIN

TIRE BRITE 46PC

Tire Cleaning Powder

General Description

TIRE BRITE 46PC is a superior tire cleaning powder, which is designed to mixed with water and sprayed directly onto tires, allowed to soak for a few minutes and then jetted off with fresh water. **TIRE BRITE 46PC** turns a bright fluorescent green/yellow when hydrated in water, letting the user know that a powerful cleaner is being applied. **TIRE BRITE 46PC** is perfect for self-serve car wash applications, as the fluorescent green/yellow color is the industry standard.

Application

TIRE BRITE 46PC is a 100% active powder that activates when diluted with water. Actual dilution rates are dependent on final concentrations needed from spray nozzles.

Physical Properties

Color	Orange Powder
Odor	Mild
