## PRODUCT BULLETIN

### TIRE BRITE PLUS

#### Tire Cleaning Liquid

##### General Description

**TIRE BRITE PLUS** is a superior, concentrated tire cleaning liquid, which is designed to mixed with water and sprayed directly onto tires, allowed to soak for a few minutes and then jetted off with fresh water. **TIRE BRITE PLUS** sprays a bright fluorescent green/yellow when applied to the tire, letting the user know that a powerful cleaner is being applied. **TIRE BRITE PLUS** is perfect for self-serve car wash applications, as the fluorescent green/yellow color is the industry standard. **TIRE BRITE PLUS** is ready for hook-up to the dispensing equipment thus, taking the mixing chore away from the car wash operator.

##### Application

**TIRE BRITE PLUS** is a highly concentrated liquid and actual dilution rates are dependent on final concentrations needed from spray nozzles.
