## PRODUCT BULLETIN

### ULTRA PLUS

#### Ultra Sonic Liquid Cleaner for Jewelry

##### General Description

**ULTRA PLUS** is an excellent, low foaming, biodegradable, non-toxic water based jewelry cleaner for use in ultra sonic cleaners. **ULTRA PLUS** will quickly clean diamonds and other precious stones, gold and platinum. **ULTRA PLUS** does *not* contain ammonia or aggressive alkalines. **ULTRA PLUS** is not recommended for use on antique silver, angel skin coral, pearls, ivory, malachite, opals or turquoise. Extreme care should be taken on other semi-precious stones.

##### Dilution

Dilution rates are dependent on jewelry and soil load in the ultrasonic cleaner. Starting point dilutions are 2 - 4 ounces per quart of fluid. Adjust product up or down depending on results.

##### Physical Properties

Color	Green
Specific Gravity	1.012
pH	8.5 - 9.5
Freeze Point	32BF

##### Availability

**ULTRA PLUS** is available in gallons (6/case), UN approved 5 gallon pails and 55 gallon drums.

##### Handling

Observe warning label on containers. Normal precautions for cleaning chemicals apply.
