## PRODUCT BULLETIN

### VAT STRIP 44 Chemical Paint Remover

#### General Description

**VAT STRIP 44** is an extremely powerful, non-flammable, solvent based paint stripper formulated to effectively remove paint on cooling fins, heat exchangers, soak-stripping operations and any paint removal application that requires a thin paint stripper. **VAT STRIP 44** is extremely effective in single or double layer spray applications and will remove several layers of paint in soak tank operations.

**VAT STRIP 44** will not damage metal, aluminum, wood or plaster surfaces.

#### Application

**CPR THIN-WASH** is formulated to be used as is. Apply **VAT STRIP 44** with stainless steel sprayers, or brush on. When used as a soak tank stripper, 2 to 4 inches of water poured on top of the product will help suppress evaporation and extend product life.

#### Physical Properties

Color	Light to Amber Liquid
Appearance	Thin
Odor	Solvent
Specific Gravity	1.215
pH, as is	Neutral
