Car and Truck Cleaning Products

SUPER WASH 460XL

SUPER WASH 460XL is an extremely effective high foaming liquid cleaner/degreaser designed for a broad range of applications with special emphasis on truck and vehicle cleaning and maintenance. It is biodegradable, nontoxic, nonflammable and leaves no residue after rinsing. **SUPER WASH 460XL** is perfect for coin operated car and truck washes. **SUPER WASH 460XL** is available with a clean and fresh "detergent" smell, and **SUPER WASH 460XL** is available in cherry, or, other customer requested fruity odors.

ALKALINE PRE-SOAK

A formulated alkaline presoak which is safe and effective, and may be used in tunnels, in-bay and high pressure automatics and self serves.

CITRUS PRESOAK 25

A formulated low pH presoak which is safe and effective, and may be used in tunnels, in-bay and high pressure automatics and self serves.

SUPER FOAM

Available in several concentrations and scents, the **SUPER FOAM** line of cleaners are concentrated, completely synthetic, high-foaming, biodegradable formulations designed to be used in coin operated car washing systems for direct high pressure cleaning and foaming brush application. **SUPER FOAM** is a very effective hand washing cleaner that is gentle to cars and waxed surfaces as well as the user's hands.

CAR WAX 60HF GRAPE

CARWAX-60HF is an extremely effective liquid concentrated automatic car wash auto spraywax. **CARWAX-60HF** is highly effective, problem free and stable in both concentrate and dilute form. The car wash will use **CARWAX-60HF** by diluting 1 : 20 with water and then injecting 6 ounces of the diluted spraywax through a DEMA system onto each car.

SCENTS

AUTO FRESH SCENTS are powerful, concentrated air deodorizers which helps control malodors such as tobacco, food, trash, pet odors, mildew, and drain odors plus many others. Deodorizes an average size car with one squirt

TRIPLE FOAM PRODUCTS

RAINBOW CAR DETERGENTS

RAINBOW CAR DETERGENTS are used in self-serve and automatic car washes. These products are superlative cleaners and are brightly colored to keep customers coming back for more. Available in red, blue, yellow or other custom colors. These products can also be scented if desired.

RAINBOW CAR WAX

RAINBOW CAR WAXES are formulated for clear coat finishes and are applied in high or low pressure spray wax applications. The combination of the **RAINBOW FOAMING CAR DETERGENTS** and clear coat protectant or spray wax provides a deeper and longer lasting protective shine than any product used by itself. The **RAINBOW CAR WAX** line is similar in performance to our regular car waxes, but has the advantage of brightly colored dyes to enhance customer satisfaction. Each can be scented if desired.
