PRODUCT BULLETIN

DG 27-L

Biodegradable Water-Based Degreaser

General Description

DG27-L is a water-based blend of nonionic surfactants, chelators and penetrants formulated for general cleaning of all types of surfaces that are not affected by water. **DG27-L** is an excellent oil emulsifying cleaner with strengths varying with the degree of dilution with water. **DG27-L** is suitable for cleaning and decontaminating barges, ships, tanks, vats and for all engine room maintenance. **DG27-L** is a very effective concrete cleaner and contains brighteners to bring back that “new” look to sidewalks and driveways. **DG27-L** contains lemon oil to aid removing stale odors left after cleaning.

Application

DG27-L can be applied by almost any means including mops, sponges or sprays. Always allow solutions to penetrate deposits before rinsing. Do not allow cleaning solutions to dry on surfaces before hosing off.

Dilutions

DG27-L is a concentrated cleaner and should be diluted for best results:

Heavy	1 part DG27-L	2 parts water
Medium	1 part DG27-L	5 parts water
Light	4 oz. DG27-L	1 gallon water

Availability

DG27-L is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply.
