PRODUCT BULLETIN

A-A-59601 Type 3

Degreasing Solvent

General Description

A-A-59601 Type 3 is a solvent degreasing compound compliant with the specifications noted in MIL-PRF-680C. It is intended for use where a solvent with a high flash point and strong solvency is desired. This solvent is formulated with petroleum-based hydrocarbon. When Type 3 solvent is used indoors, ventilation should be sufficient to prevent the accumulation of vapors above allowable exposure limits. Type 3 is formulated with high flash point and complies with Military Symbol SD-3.

A-A-59601 Type 3 does not contain chemicals listed as Hazardous Air Pollutants (HAPs). There are no HAP components in the product in a concentration of 1.0 percent or greater by weight.

Application

A-A-59601 Type 3 is formulated to be used as provided. This product is excellent as a pipe thread cleaner, a degree in closed circulation systems or a bulk degreaser in cleaning process vessels. **A-A-59601 Type 3** is very effective for degreasing of machine parts in equipment maintenance.

Physical Properties

Color	Clear to Pale Straw
Odor	Essentially Odorless
Specific Gravity	0.815 – 0.83
Flash Point	Average 229°F (109°C)
Boiling Point	464 - 528 °F (239 - 276 °C)

Availability

A-A-59601 Type 3 is available in UN approved 5-gallon pails, 55-gallon drums and bulk quantities.

Handling

Observe warning labels on containers. Normal precautions for industrial chemicals apply. This document does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this product to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use.

The information contained herein is provided in good faith, but shall not create any warranty, expressed or implied, by operation of law or otherwise, with any respect to any product.
